## REPORT OF THE UNDER-SECRETARY OF STATE FOR EXTERNAL AFFAIRS.

---

The Right Honourable

SIR ROBERT BORDEN, G.C.M.G.,  
Secretary of State for External Affairs,  
Ottawa.

SIR,—I have the honour to submit a brief review of the more important matters which have engaged the attention of the department during the year 1914-15.

### EUROPEAN WAR.

That which has overshadowed all others is the European War. Notification of the existence of a state of war between Great Britain and Germany was made on the 4th August, 1914, a similar notification in respect of Austria-Hungary being made on the 12th of the same month, and in respect of Turkey on the 5th of November. Canadian co-operation in the necessary military measures and the number of new questions of administration naturally arising from a state of war, involved a very great increase in the correspondence passing through the hands of the department, though the consideration of other matters of external concern necessarily fell to some extent into abeyance.

### NORTH ATLANTIC COAST FISHERIES.

Arrangements had been perfected in concert with the United States Government for inviting the Queen of the Netherlands to name the neutral member of the Permanent Mixed Fishery Commissions for Canada and for Newfoundland, but the outbreak of the war interfered with these arrangements and the completion of the commissions is still to be effected.

### INTERNATIONAL BOUNDARY WATERS.

A change in the constitution of the Canadian section of the International Joint Commission under the Boundary Waters Treaty with the United States was caused by the resignation of the chairman, Mr. T. Chase Casgrain, in December, 1914. The vacancy thus arising was filled by the appointment on the 11th December, 1914, of Mr. P. B. Mignault.

6 GEORGE V, A. 1916

## ST. CROIX RIVER—APPLICATION OF SPRAGUE'S FALLS MANUFACTURING COMPANY.

Sanction was given for the reference to the International Joint Commission of an application from the Sprague's Falls Manufacturing Company, a Canadian corporation, for the approval of works in connection with a diversion of the waters of the St. Croix river near Grand Falls.

## TREATY WITH THE UNITED STATES FOR THE REGULATION OF FISHERIES IN WATERS CONTIGUOUS TO THE INTERNATIONAL BOUNDARY.

As foreshadowed in last year's report, Canada found it advisable to resume her liberty of action in connection with this matter, and formal notification to that effect was given to the United States Government by His Majesty's Ambassador at Washington on the 19th October, 1914.

PELAGIC SEALING (*Treaty of 1911*).

The investigation into the condition of the seal herd on the Pribyloff islands was duly carried out in the period from June to September, 1914, by the Canadian delegates, Mr. J. M. Macoun, C.M.G., and Mr. B. W. Harmon, working in harmony with United States and Japanese representatives. The opinion of the Canadian delegates, which was shared by the United States and Japanese delegates, was that the interests of the fur seal herd and of the sealing industry made it desirable that regulated land-killing of seals should be resumed on the islands in the season of 1915.

The second annual instalment of \$10,000 payable by the United States during the suspension of land killing was duly paid over to Canada.

## ALASKA BOUNDARY DEMARCATION.

The operations of the commissioners engaged in the demarcation of the 141st Meridian approach completion, the field work of the whole survey and the demarcation having been finished. A general report of the whole operations of the survey is in course of preparation.

## TREATY RATIFICATIONS.

*Treaty between the United Kingdom and the United States for the establishment of a peace commission.*—The aim of this treaty, which was signed at Washington on the 15th September, 1914, and ratified on the 10th November, is to ensure the avoidance of war by providing that all disputes which cannot be settled by diplomatic means shall be referred to a commission appointed as provided in the treaty for investigation and report, and that pending such report hostilities shall not be begun nor war declared.

*Anglo-Swiss treaty.*—By a treaty signed at London the 30th March, 1914, and ratified at the same place 12th July, 1915, power was taken by His Majesty's Government to terminate at any time Articles IX and X of the treaty with Switzerland of the 6th September, 1855, in so far as they apply to the Dominion of Canada, Commonwealth of Australia, Dominion of New Zealand, Union of South Africa, and Newfoundland, or to any of them. The articles referred to guaranteed to each of the two powers in the territories of the other most-favoured-nation-treatment in regard to customs and other duties and to matters of commerce generally.

## SESSIONAL PAPER No. 33

*Arbitration treaty with the Netherlands.*—A treaty with the Netherlands renewing for a further period of five years the arbitration convention concluded between the two countries at London, 15th February, 1905, was signed at London, 25th March, 1915, and ratified 12th July, 1915.

*Berne International Convention 1906, for the prohibition of the use of white phosphorus in the manufacture of matches.*—Notification of Canada's adhesion to the above-named convention was made to the Swiss Government on the 20th September, 1914.

*International Conventions of 1910, respecting collisions and salvage.*—The accession of Canada to the above-named conventions was notified to the Belgian Government on the 25th September, 1914. The object of these conventions was to unify certain rules of law applicable to collisions and to salvage.

I have pleasure in testifying to the zealous and capable manner in which the various members of the staff have discharged their duties.

I have the honour to be, sir,

Your obedient servant,

JOSEPH POPE,

*Under-Secretary of State for External Affairs.*

OTTAWA, 30th July, 1915.

## PASSPORT REQUIREMENTS OF FOREIGN COUNTRIES.

NOTE.—British subjects travelling abroad are recommended to furnish themselves with passports, for even in those countries where they are no longer obligatory they are found to be useful as affording a ready means of identification in case of need.

ARGENTINE REPUBLIC.—Passengers for the Argentine Republic should carry passports, and are advised to also carry certificates of birth. Persons born in His Majesty's dominions should, if they intend to become resident, even for a short time, obtain from a British Consulate in the Republic a Certificate of Nationality for purposes of identification, and to secure exemption from military service.

AUSTRIA-HUNGARY.—Persons entering Hungary from Servia or Roumania must be provided with passports. Although, in other cases, passports are not legally necessary, travellers are advised to carry them. For purposes of residence a passport or other document to prove identity is necessary.

BELGIUM.—It is desirable for travellers to possess passports. For purposes of residence, registration at the Police Office of the district is required, and a passport is accepted as evidence of identity.

BOLIVIA.—See Peru.

BRAZIL.—Passports not actually required, but travellers are advised to carry them for purposes of identification. If intending to become resident they should register their names and addresses at the nearest British Consulate.

BULGARIA.—Travellers should carry passports of recent date. Bulgarian *visa* not required. Residents should provide themselves annually with certificates of registration under the Ottoman Order in Council.

CENTRAL AMERICA.—Possession of passports desirable both for personal security and purposes of identification.

*Costa Rica*.—No regulations in force.

*Guatemala*.—Alien residents are required to present at the Guatemalan Foreign Office passports *visés* by the Diplomatic or Consular Officer in Guatemala of their native country.

*Honduras*.—No regulations except in times of disturbance.

*Nicaragua*.—No regulations in time of peace. To leave the country a local passport has, however, to be obtained from the Ministry of War.

*Salvador*.—Travellers should carry passports, and should, in addition, obtain passports from the Government of Salvador. (Charge for latter, 25 cents.)

CHILE.—No regulations in force.

## SESSIONAL PAPER No. 33

CHINA.—Passports are not required at open ports. For travelling into the interior a special passport must be obtained from a British Consul, which is valid for one year. (Cost, 3 dol. 50c. *Mexican*.)

COLOMBIA.—British subjects proceeding to the Republic of Colombia must provide themselves with passports, *visés* by the Colombian Minister or by a Consul of the Republic in Canada. For travelling in the interior it is advisable to obtain special passport from a British Consul (charge, sixty cents). Immigrants without resources must be provided with a passport issued *gratis* by the Colombian Consul at port of departure.

COREA.—Passports are not required within a radius of 100 li (33 miles) from the open ports. Persons travelling in the interior must obtain a passport through the British Consul. (Fee, 3.50 yen, about \$1.75.)

CUBA.—Although passports are not legally necessary, travellers are advised to carry them. Persons intending to reside in Cuba for any length of time should have their names registered at the British Consulate-General.

DENMARK.—No regulations in force? But passports or similar documents may be required by the police from persons accepting employment in Denmark before furnishing them with an “opholdsbog” (situation book), and also from music hall artistes.

*Iceland*.—No regulations in force.
